Executive Director

Immigration Investors Association

The IIA is a 501(c)(6) trade association. Please consult your tax advisor about whether you can deduct IIA dues as a business expense.

IIA federal ID no.: 20-2897226

Please note: To further build our membership, as well as expand its representation and commitment to our principles, the IIUSA encourages you to urge your service providers, agents, or related entities to join the Association. As an incentive, we will rebate 20% of their first year's membership dues against your subsequent year's dues. For example, if 5 attorneys representing a regional center's investor/petitioners join at \$1,000 each, the regional center will receive a \$1,000 discount on that regional center's 2009 dues.

Referral information for possible new members (name and email address):

Please note: All IIUSA members agree to adhere to the attached Know Your Customers and Ethics guidelines, as well as any future guidelines adopted by the Association.
